A Gruppa

Desde 2002 a Gruppa® fabrica puxadores e similares na sua fábrica situada em São José dos Pinhais - PR.

Utilizando-se da mais avançada tecnologia, a produção se inicia através de metais brutos, que passam por processos de fundição, polimento, cromagem e envernização.

Temos paixão em decorar. Por isso, todas as peças são criadas para transformar os lares dos nossos consumidores, trazendo a você uma experiência diária de puro requinte e bom gosto.

Considerações finais

- Os acabamentos Ouro Velho, Prata Velha e Cobre Velho são fabricados artesanalmente, podendo apresentar pequenas diferenças de tonalidade;
- Os acabamentos Cromado e Níquel Escovado estão disponíveis em todos os itens de Zamac e Alumínio. Demais acabamentos somente sob consulta prévia;
- As medidas dos itens podem sofrer variações de até 2%;
- Materiais de Inox podem ser fabricados somente nos padrões Polido e Escovado;
- Instruções de manutenção e limpeza:
 - Utilizar pano macio umedecido em água. Após este procedimento secar com um pano macio;
 - Não utilizar: Produtos químicos que contenham cloro ou ácido e nem produtos abrasivos, tais como esponjas e palhas de aço;
- A Gruppa não se responsabiliza por possíveis danos recorrentes de mau uso, desgaste natural e conservação inadequada.
